WHY CHOOSE BUREAU OF ASSESSMENT SERVICES?

Recognition:

Bureau of Assessment Services is accredited by AIAC for ISO 27001 certification.

Business understanding:

Our success is based upon a close working partnership, focused on driving your business forward. We have specially trained auditors in the country to deliver a certification service meaningful to your business.

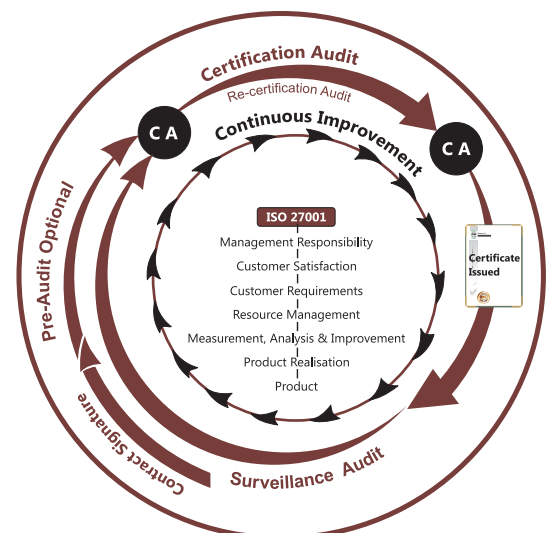

Combined services:

Bureau of Assessment Services offers the possibility of combined certifications to the largest range of recognized standards, bringing consistency, optimization and efficiency.

Key steps in our approach are:

- Contract signature
- Pre-audit (optional): gap analysis and diagnosis of your systems current position against requirements of the standard;
- Initial Audit: to verify the establishment and implementation of the basic structure of your ISMS (asset list and classification, statement of Applicability – SoA, Risk Analysis, Selection of Controls, physical perimeters, applicable legislation and regulation...);
- Certification audit (certificate issued after successful certification audit);
- Surveillance audits to follow the continual improvement;
- Re-certification after 3 years through full audit or continual assessment.

Following each step, a factual and comprehensive report is promptly delivered allowing your company to continually improve its ISMS performance.

* CA: Corrective Action (if applicable)
